DECREE; [PROPOSED] ORDER

Pursuant to the Order of the Honorable Lawrence R. Leavitt, United States Magistrate Judge (Docket No. 309), counsel for Defendants Republic Services, Inc. ("RSI") and Republic Silver State Disposal, Inc. ("RSSD") and Plaintiff U.S. Equal Employment Opportunity Commission ("EEOC") were ordered to file a final proposed consent decree by July 9, 2010. The EEOC and Defendants have exchanged another red-lined version and are in the process of discussing the remaining issues. The parties have agreed on almost all of the language in principle, with only minor revisions left to draft and review. The parties believe in good faith that they will be able to finalize the decree following additional discussion, but will not be able to file the final proposed decree by the current deadline. Various representatives for the parties, however, are scheduled to take vacations during the next month and a half. In an attempt to address the lack of availability of the parties, and with the expectation that no further extension will likely be necessary if the requested additional time is provided, the parties request an extension of time from July 9, 2010 to August 25, 2010 to finalize and file the proposed decree. This extension should be sufficient to accommodate the attorneys schedules and allow for finalization of the remaining language in the decree.
